## AT A GLANCE 2020-2021

It has been an inspiring year at SHEOWS, this year SHEOWS has accomplished task of saving 600+ elderly lives, Through our Covid support campaign we provided aid to 15000+ elderly and vulnerable persons. We stand fully vaccinated and ready to save the lives of many more elderlies and vulnerable persons. There are still many miles to go and we hope our supporter and doners continue to walk with us.

## GURU VISHRAM VRIDH ASHRAM

SHEOWS is an old age home working to save the lives of the abandoned, destitute, and homeless elderly across Delhi NCR, and Uttar Pradesh. Starting from rescue to providing the elderly with a second home, it is a place where the elderly are medically treated, provided with comfortable accommodation, healthy and nutritious food, etc. all at free of cost.

## ABOUT SHEOWS

The aim is to serve every destitute, orphan, needy and abandoned elderly with a strong belief of helping old aged people and spreading awareness of elders care would not only give them a new life but also reduce the cases of elder abuse in society. We believe in the notion of "Vasudeva Kutumbakam" meaning the whole world is our family which inspires us to serve every needy old aged as our own family member.

As a consequence of the COVID-19 pandemic, SHEOWS also helped thousands of elderly we found abandoned in streets or living alone in remote villages or slums.

### VISION

To mitigate the sufferings of the elderly picked up from the streets. To ensure they have a dignified life by providing them access to comfortable accommodation, nutritious food, and healthcare

### MISSION

To work for the neglected and abandoned elders left to die on the streets by their families, by providing shelter, food, and critical healthcare at our old age homes.

# WORKING CAUSE

## ELDERLY ABANDONMENT & ELDERLY WELFARE

Elderly neglect and desertion have grown over the period of time which has resulted in this worthy population to be left helpless and alone on the roads, hospitals, railway stations, etc. A recent publication by the Ministry of Social Justice and Empowerment reports that there are currently 18 lakh indigent elderly in India.

SHEOWS work for the welfare of this population in coherence with Sustainable Development Goal number three (SDG-3) which ensures healthy lives and well being at all ages. We work towards providing a dignified life to these elderly beneficiaries by not only providing them with the necessities but also extensive medical care facilities to actually save lives and benefit the indigent elderly population.

# UP COMMING PROJECT OF SHEOWS

SHEOWS is expanding its services to serve and save the life of elderlies. Currently, we are serving 500+ elderly people at SHEOWS old age home and due to less space, 30% of beneficiaries are accommodated in the floor-based beds. The covid outbreak raised in elderly abandoned cases to address this issue we are into expansion to serve more elderlies.

SHEOWS is envisaging the have a fully equipped medical centre, where all destitute and abandon elderlies can access quality health service by professional medical staff. In Chattarpur SHEOWS has dreamed to setup a Special Care Unit to SAVE the LIFE of Elderlies.
